TMM Real Estate Development Public Limited to delay publication of its audited financial statements for the year ended 31 December 2018

Kyiv, 24 June 2019 - TMM Real Estate Development Public Limited (ISIN: US87260H1041) ("TMM" or the "Company") announces that it has to delay publication of its audited consolidated financial statements for the year ended 31 December 2018, thus not being able to meet the deadline of 01 July 2019 set by Deutsche Boerse AG. The delay is caused by the debt restructuring procedure, which the Company's main subsidiary, "T.M.M."-Ltd, completed earlier this year. The process of debt restructuring required a lot of resources from the Company, which led to TMM being able to finalize the consolidated financial statements later than it had initially planned.

The Company will be using its best endeavours to publish its audited consolidated financial statements for the year ended 31 December 2018 as soon as possible.
